Career Entry Planning

Are you an international STEM student planning your future career in the region and would like to prepare yourself specifically for starting your career?

Then sign up for the offer „International Students Welcome“.

- ✓ Get to know small and medium-sized companies as potential employers.
- ✓ Come into contact with HR managers during our companies' visits and career talks.
- ✓ Prepare yourself for specific job interview situations.
- ✓ Improve your social, personal and intercultural competences and learn how to apply them.
- ✓ Improve your technical language skills.

Coordination and funding will be provided by the Welcome Center Rhein-Neckar in agreement with the offices for economic development Mannheim, Heidelberg and the Rhein-Neckar District.

Make contact with employers

„International Students Welcome“...

- ✓ is being offered in cooperation with the Universities of Mannheim and Heidelberg as well as the Universities of Applied Sciences Heidelberg and Mannheim,
- ✓ prepares international STEM students and graduates of regional Universities and Universities of Applied Sciences for their entry into their professional life,
- ✓ connects future skilled workers with small and medium-sized companies of the region.

Score with diversity

The offer...

- ✓ is for international students of the Universities of Heidelberg and Mannheim as well as students of the Universities of Applied Sciences Heidelberg and Mannheim,
- ✓ is for students with knowledge of the German language (at least A2 level) and will take place as a **free block seminar** during the semester.

International STEM students are welcome to attend the seminar!

Further information about the seminars and dates can be found on the website of the Welcome Center Rhein-Neckar:

<https://www.welcomecenter-rn.de/>

Please register for the seminar via the online contact form.
